# Ovashell

## Dried Egg Shell

### *Circular calcium source for growing animals*

With Ovashell, Nutrios offers the industry a circular calcium product with a small amount of protein. Especially in pure meat wet formulas, Ovashell is a unique source of better digestible and sustainable Ca compared to limestone or coral.

#### **Benefits:**

- Circular calcium source
- Contains protein
- Includes egg shell membrane
- Eggshells contain at least 35% of valuable calcium and trace amounts of other minerals, such as Mg, Cu, Mn, and Zn

#### **Specifications:**

Protein  
**6%**  
Typical

Fat  
**4.5%**  
Maximum

Moisture  
**2%**  
Maximum

Ash  
**93%**
