*Real chicken broth—as good for pets
as it is for people*

Nutrios™ offers the flavorful, nourishing chicken and bone broths pets and consumers appreciate. Our chicken broths aid palatability and make it simple to replace water on your label. Our high-collagen bone broths are ideal for on-trend health applications, and include concentrated, shelf-stable broths with >55% solids—no refrigeration required.

Benefits:

- 100% real chicken
- All-natural—no added salt or other ingredients
- Label-friendly
- Savory alternative to water
- Frozen liquids, shelf-stable, pumpable concentrates, and soluble, agglomerated powders
- 90% protein (on dry basis)
- Low-fat and low-ash
- Manufactured in a USDA-inspected facility
