Ovalin™ 46 InOvo

Dried Whole Egg

Achieve the highest Animal Welfare Standard by avoiding the killing of day-old chicks

Ovalin 46 InOvo helps products excel in compliance with new Animal Welfare Standards. Because it's made from eggs in which the sex of the embryo is determined at a very early stage, Ovalin 46 InOvo allows early selection to avoid the killing of male chicks once they hatch.

Benefits:

- Meets industry-leading Animal Welfare Standard
- Avoids killing of male day-old chicks
- High protein-ash ratio (8:1 or better)
- A natural, label-friendly ingredient
- Shelf-stable

Ovalin 46 is most efficient in meeting essential amino-acid needs

Fewer grams of Ovalin 46 can meet essential amino-acid needs, which demonstrates the efficiency of egg as a protein source.
